

***This is your life.
Do what you love,
and do it often.
If you don't like
something,
change it.***

If you are looking for
the love of your life,
stop; They will be
waiting for you when
you start doing
things you love.
Stop over analyzing,
life is simple.

If you don't like your
job, quit.
If you don't have
enough time, stop
watching TV.

**All emotions are
beautiful. When
you eat, appreciate
every last bite.**

**Open your mind, arms, and heart to new things
and people, we are united in our differences.
Ask the next person you see what their passion
is and share your inspiring dream with them.**

*Travel often; getting
lost will help you find
yourself. Some
opportunities only
come once, seize them.*

Life is about the
people you meet,
and the things
you create with
them so go out
and start creating.

**Life is short. *Live
your dream and
share your passion.***
